Written by Jack Clement

So I feel so blue sometimes I want to die
And so I've got a broken heart, so what
They say that time will heal all wounds in mice and men
And I know that someday I'll forget and love again
But just between you and me
I've got my doubts about it
'Cause just between you and me
You're too much to forget

So I've lost the only girl I've ever loved
And so I've never felt so low, so what
I'll just tell myself each time I want to cry
That someday time will dry the teardrops from my eyes

But just between you and me
I'm not so sure about it
'Cause just between you and me
You're too much to forget
You're too much to forget
