Lester: Alright you wanna sing TIL THE END OF THE
WORLD ROLLS AROUND. Let's do it.

'Til the end of the world rolls 'round, I'll keep on lovin'
you
As long as the sun comes up and comes down
'Til the big blue sky comes down to the ground
As long as the world goes 'round and 'round
I'll keep on lovin' you

I tried to sail the sea of life, I rowed my boat along
Your love to me meant nothin' dear, my heart was
made of stone
To a harbour filled with loneliness, my little boat was
moored
And then the day I first meet you, I fell right overboard

'Til the end of the world rolls 'round, I'll keep on lovin'
you
As long as the sun comes up and comes down
'Til the big blue sky comes down to the ground
As long as the world goes 'round and 'round
I'll keep on lovin' you

Whenever you're around me dear, my heart just won't
be still
And when it comes to kissin' you I'll never get my fill
They said I'd never settle down, that I would always
roam
That I could never be the type, for a lovin' wife at home

'Til the end of the world rolls 'round, I'll keep on lovin'
you
As long as the sun comes up and comes down
'Til the big blue sky comes down to the ground
As long as the world goes 'round and 'round
I'll keep on lovin' you

'Til the end of the world rolls 'round, I'll keep on lovin'
you
As long as the sun comes up and comes down
'Til the big blue sky comes down to the ground

As long as the world goes 'round and 'round
I'll keep on lovin' you
