Can you prove me wrong
Would live with shattered dreams?
Now you dwell in emptiness
This is your life - a living nightmare
You'll never stand on solid ground
How can you face yourself?
How can we stay this way?
You stand on high: preach dedication
I'm starting down here - I see the lies
Your talk of ethics is contradiction
I'm starting down as you walk away
Now can you face yourself?
How can we stay this way?
Can you prove me wrong?
Would you live shattered dreams?
Now you dwell in emptiness
This is your life - a living nightmare
You'll never stand on solid ground
Face yourself
