"Burden's Gift"

Visit "[Burden's Gift](#)" on MotoLyrics.com

I'll see this burden upon my shoulders now
I've felt pain relentless
In time scars will surface
With my imperfections
Relive what's tortured me
Bearing burden's gift on my shoulders
Fight flat-it keeps us
From our full potential
Be careful of what you wish for
You just might get it
Bearing burden's gift on my shoulders
Don't fight with it just flow it
Don't deny it, just let it go
I'll suffer this
I'll suffer this
Day in day out
I'll suffer this
