It's easy when there's no consequence
To all the fucked up things that you do
So hang on
Here's the catch
Leading on
False messiah
Now I'm seeing
So much clearer
It's not a question that I let you ask
So just know what you will always need me
You crutch was meant to be
Force fed self control
Now I'm seeing
So much clearer
I see the truth
Poisoned victim
Death in vain
For nothing
It's spreading
Unconscious
I'm killing your victim
Now you've gone too far
