Dance with the dead
Purchase the lie
Speak in tongues
Your words I despise
Money, hungry monolith
Isn't worth the wait
Watch this thorn in your side
Murder acetate
Trick me once
I take the blame
Trick me twice
Pulling teeth
Faulty frame of mind
Stuck in the past
Tourniquet tightens
This hostage shoots back
Our fingers wrapped around another stiff drink
We knew the rules of the game
And don't care what you think
Trick me once
I am blind
Trick me twice
Victory's mine
I wait
While you take your time
Inhale the line
To justify
Thirty four months for nothing
