It's disappointing  
When you don't wanna Dance Dance Dance  
To this new music  
Kick off your shoes and lets dance

{CHORUS}  
Shimmy Right Shimmy Left  
Till the end of the day  
Shimmy Right Shimmy Left  
This is what I said  
Shimmy Right Shimmy Left  
Make This Your Dance floor x2

I see you groovin'  
Now that you like to Dance Dance Dance  
To this new music  
Now everybody dance

{CHORUS}

GO GO GO GO GO GO GO GO GO GO GO GO GO Make This  
Your Dance floor x2

Shimmy Right Shimmy Left  
Till the end of the day  
Shimmy Right Shimmy Left  
This is what I said  
Shimmy Right Shimmy  
Left Make This Your Dance floor

(Shimmy Right Shimmy Left  
Till the end of the day  
Shimmy Right Shimmy Left  
This is what I said  
Shimmy Right Shimmy  
Left Make This Your Dance floor) x4
