It's disappointing
When you don't wanna
Dance Dance Dance
To this new music
Kick off your shoes and lets dance

Shimmy Right Shimmy Left
Till the end of the day
Shimmy Right Shimmy Left
This is what I said
Shimmy Right Shimmy Left
Make This Your Dance floor
x2

I see you groovin'
Now that you like to
Dance Dance Dance
To this new music
Now everybody dance

Shimmy Right Shimmy Left
Till the end of the day
Shimmy Right Shimmy Left
This is what I said
Shimmy Right Shimmy Left
Make This Your Dance floor
x2

GO GO GO GO GO GO GO GO GO GO GO GO GO GO GO
Make This Your Dance floor
x2
