It was Sunday, I was into you
Knew you were the one for me
Said I always be true
Even if we didn't give time
For this to shine
I said to hell, it will be alright
And now its Wednesday
What the hell has gone wrong
See a different side of you
That just doesn't belong
But you're stuck in my mind I
Keep pressing rewind
SHE SAID
Can you hear me?
I'm blowing up your stereo
Every time you're hearing
Ooh wow ooh oh ooooh oh oh
Turn it up or down
it feels a bit like vertigo
Everywhere you go
I'm Stuck in Your Radio!
It was Sunday, wasn't into you
You were just too good to me
Wish you leave some space...
Needed some more time
But you pulled me in
With your words you plot a crime!
So is Wednesday, what did I do wrong?
I showed you the real side of me
Now you're acting all crazy
But I'm stuck in your mind I
Keep hitting rewind!
SHE SAID!
Can you hear me?
I'm blowing up your stereo
Every time you're hearing
Ooh wow ooh oh ooooh oh oh
Turn it up or down
It feels a bit like vertigo
Everywhere you go
I'm Stuck in Your Radio!
