Warm-blooded, god-fearing and I bleed red.  
Primal Instinctive like my meat dead!

Who's not a sinner oh what a winner suffering  
my gut 'cause I'm greedy as @%#.

Animal!

Nocturnal.  
Savage my heart's cold.  
Trash mouth, ill-tempered and you know I'm bold!

Who's not a sinner oh what a winner suffering  
my gut 'cause I'm greedy as @%#.

Animal!

Out of my mind, losing my soul the natural beast has  
taken control.  
Will I kill or be killed?  
Animals prey on the weak in order to live.  
I'm surviving and I thrive of the scent of scare that is in  
the air.  
I do want to do.  
Does that make me an animal to you?

Animals ~ Just like you and me.  
Animals ~ Surviving to be free.  
Animals ~ Blood thirsty human being.  
Animals ~ Can you cage the Beast!?!

Womanizing.  
Chauvinist I lick clits.  
Drinking fools straight up pagan I'm a sexist.
