Ohh what a feeling I have inside today
No lack of faith in me, like yesterday
I have too remember exactly where I am
'Cause I don't wanna go in the wrong direction again

Because I have no worries,
Altogether feels easier, right now then ever
I have no worries, no, altogether, feels easier

It's raining outside today, it's getting dark by the noon

Ice cold winter dancing outside my window
I light up a candle, I poor my self some tea.
Inside I'm laughing at how easy it can be

I guess I have no worries,
Altogether feels easier, right now then ever
I have no worries, no, altogether, feels easier
