Jonon bo'laman deb, hammani kuydirasanmu,
 Kuygan bu faqirlarni yana yondirasanmu,
 Ta'ming shumikin, yuz yilga dovur
 Mana shundoq turasanmu?
 Yosh boshing bilan har yerda yolg'iz yurasanmu?
 Ey, mehri hilol ko'chasidan o'tmaganim, kel, voy!

Men asragan vaqtima sen yoshgina erding,
 Ham erkayu munisu yuvoshgina erding,
 Oq yuzli, xoldor, qalamqoshgina erding,
 Har yona borar chog'ima yo'ldoshgina erding,
 Ming va'da qilib, birga vafo qilmaganim, kel, voy!

Ey, yosh yurak, kuydirasan, qayda bo'lursan?
 Beshubhayu benomu-nasab qayda turursan?
 Savdo qilayin, bormu sening asli makoning,
 Jonimni beray, ishq do'konini qayda qurursan?
 Ey, mehri hilol ko'chasidan o'tmaganim, kel, voy!
