Ooh, aaay
Santa have you seen my soldier?
The one who wears my heart
We're so far apart, ohhhh
Santa have you seen my soldier?
I'm bravin' through the lonely nights
Just getting by
Livin' prayer to prayer

It's so hard to be apart this time of year
The ones you love should be near
Material things lose all their value
Cuz all I want is him

Santa have you seen my soldier?
Let him know that I miss him and love him so
Santa bring my soldier home
I need him here in my arms
Cuz love's worth fighting for
Santa bring him home

Santa bring him home
Oh oh oh ohhh

Life's not the same without my soldier
Every time we laughed,
The comfort that we had
Ohh

He's the one who's been there for me all along
He taught me to be strong enough
When times are tough
And keep the faith when I can't hold on

It's so hard to be apart this time of year
The ones you love should be near
Material things lose all their value
Cuz all I want is him

Santa have you seen my soldier?
Let him know that I miss him and love him so
Santa bring my soldier home

I need him here in my arms
Cuz love's worth fighting for
Santa bring him home

The wind blows so cold
Without your hand to hold
It's haunting my mind
Like the day we said goodbye
There's a boy overseas
Who's lonely just like me
I'm waiting for the day
My hero comes home to me
