Pappara funi-funi pappara hoe-hoe

Pappara funi-funi eggs

Pappara funi-funi pappara hoe-hoe

I grilled them and they burned

Pappara funi-funi pappara hoe-hoe

Pappara funi-funi potatoes

Pappara funi-funi pappara hoe-hoe

I boiled them and they melted

You are so very, very cool

Ah, ah, I'm completely crazy about you

I'm enchanted, I'm sticky, my heart is pounding

I'll show it to you, just a little bit

Since the weather is fine, I want to go somewhere

Oh, oh, please listen

Mm-hmm, I'll give you my special grand lunch

Somewhere, rararan

Pappara funi-funi pappara hoe-hoe

Pappara funi-funi eggs

Pappara funi-funi pappara hoe-hoe

If I don't boil them, they're still raw eggs

Pappara funi-funi pappara hoe-hoe

Pappara funi-funi beer

Pappara funi-funi pappara hoe-hoe,

If I don't boil it, it's still a draft beer

Somehow they seem a little interested

Ah, ah, your eyes

I'm enchanted, I'm calm, the mood is perfect too

Shall I cuddle up to you?

I'm a naive girl who doesn't know a thing

Oh, oh... don't make me say it

Mm hmm, the best wooing words

As I expected, from you, rararan
