Abrazame

Regardless of what they say or how much they increase the blame

Bersom basmeh 3a shfafek ma byesre2ha el nawm

People's talk never end and it never finishes either

ew3a tredi 3alayhon ma fihon e7sas

asdon yes2ouni fi bo3dek morr el kass

Abrazame

I've grown used to your eyes laughing while (outside) it drizzles

etkhayalek bel layl wein nrou7 bel traab

Abrazame

Spoken:

Forget the whole world
