The deadly alliance  
The knife and the silence  
Have fled the asylum  
To continue what shall be done  
His childhood memories flash through my mind  
I see the cause  
For his shattered life  
His daddy was a childrapist  
His mother the first woman he'd ever kissed  
Real motherlove he'd always missed  
Daily beaten by fathers fist  
His moral decayed his love was betrayed  
Aggressions have grown childhood has gone  
Darkness surrounding  
My erased mind  
Hunted by memories  
That aren't mine  
The first girl with thirteen  
Was not satisfying  
He couldn't give her love  
So he slashed her up  
Darkness surrounding  
My erased mind  
Hunted by feelings  
That aren't mine  
Only blood makes me sane  
Am I an actor in a horror play  
Only blood makes me sane  
I creep at night through nocturnal streets  
The weight of guilt is on my feet  
I look for a girl of the paid kind  
The steel in my hand makes me feel  
Like a real man  
Darkness is guiding  
My disturbed mind  
Forced by the need  
To end a life  
Only blood makes me sane  
I am an actor in a horror play  
Only blood makes me sane  
I will keep the blossom

From fading away  
Show me your fear  
Please beg for your life  
I'm not in control of what I'm doing here  
I'm just a slave to the knife  
It's changed my mind  
A complete loss of will  
I feel the thrill of the kill  
The knife is coming down  
Red blood spills around  
I fell it's warm embrace  
I see the grace of death  
My soul's soaked in red  
Darkness surrounding  
My disturbed mind  
Forced by the need  
To end your life  
Only blood makes me sane  
I am an actor in a horror play  
Only blood makes me sane  
Only blood makes me sane  
Only blood makes me sane  
Only blood makes me  
Only blood makes me  
Only blood makes me sane
