High up, high up  
I'm watching the tears on the sky  
They're fallin', fallin'  
But we close our eyes and ask why

Like a bomb from the east and a blitz from the west  
They're stealing your wood - they're lacing your breast  
Deoxygenation drives me insane  
And I pour out my venom all over your men

Heal me - I'm bleeding  
And I cry out - my tears

He says: Mother, mother  
The dark clouds are driving me blind  
Don't kill me nor thrill me  
I've left all my power behind

Like a bomb from the east and a blitz from the west  
They're stealing your wood - they're lacing your breast  
Deoxygenation drives me insane  
And I pour out my venom all over your men

Heal me - I'm bleeding  
And I cry out - my tears

TO ALL CITIZENS ON OUR PLANET  
WE SHOULD TAKE CARE  
OF THE TEARS FALLING DOWN FROM OUR SKY  
MORE AND MORE WE HAVE TO CHANGE SOME VITAL  
QUALITIES

Turn back, turn back  
I can't hold myself back from falling down  
Father, father  
In your hands I commend my will

Like a bomb from the east and a blitz from the west  
They're stealing your wood - they're lacing your breast  
Deoxygenation drives me insane  
And I pour out my venom all over your men

Heal me - I'm bleeding  
And I cry out - my tears
