Dragonthrone
"Bring Me Evil"

VERSE 1
I've been alive
I've been mortal
I've travelled through the portals
I look down on a dying breed
Slay the world, make me bleed

BRIDGE
Again
I will ascend

CHORUS
Bring me darkness
Bring me sin
Bring me hatred deep within
Take me to the place where
Evil reigns forever
Bring me fury
Bring me wrath
Lead me down the wicked path
Burn your sanctary
Bring me evil

VERSE 2
I've been to heaven
I've been to hell
I've seen the places where the demons dwell
As I walk to through the fallen land
Lead the way take my hand

BRIDGE
Burn!
I will return

CHORUS
Bring me darkness
Bring me sin
Bring me hatred deep within
Take me to the place where
Evil reigns forever
Bring me fury

Bring me wrath
Lead me down the wicked path
Burn your sanctary
Bring me evil
