#### VERSE 1

An innocent face  
A witch in disguise  
And we can't tell which one of you  
Bear the evil eye  
A bringer of mayhem  
A mistress of the night  
A child of darkness  
Who hold the second sight

#### BRIDGE

The mark of the beast  
Cannot be revealed  
Who holds the key  
To the seventh seal

#### CHORUS

We have to burn them all  
Sacrifices must be made to break the spell  
We have to burn them all  
We'll send you back to hell

#### VERSE 2

Who conseals the demon  
Who is the fallen one  
To defeat the darkness  
United we stand strong  
Bring fourth the brimstone  
Light up the stake  
Put your faith in God  
This is your fate

#### BRIDGE

To burn in cleansing fire  
Die to save our souls  
To prevent the dark lord  
To recieve control

#### CHORUS

We have to burn them all  
Sacrifices must be made to break the spell

We have to burn them all  
We'll send you back to hell
