I live an ordinary life they say
But behind the disguise I am a broken man
My desires are deviant I fell in love with a girl too young
for me
I can't stand this immoral desire
I fall to my knees and pray
To the never bending light I plead
The light that takes my sins away
My dark desire is burning like a glowing nail
If I can't withstand your soul will burn in hell

I can't stop thinking about that girl
And when I see her grace
My blood begins to boil
My only wish is get in touch with her
But I know this cannot be
I chastise my sinful flash
In tears I pray
To the never bending light I plead
The light that takes my sins away
My dark desire is burning like a glowing nail
If I can't withstand
My soul will burn in hell
My dark, dark desire
Controls my body and my brain
My dark, dark desire God ease my pain
I cannot speak with anyone
No one will understand
Why I can't underfeed my abnormal needs
I am hunted by desire
A sinner in need of the holy ghost
Is suicide the only way
At last I pray
To the never bending light I plead
The light that takes my sins away
My dark desire is burning like a glowing nail
If I can't withstand
My soul will burn in hell
My dark, dark desire
Controls the body and the brain
My dark, dark desire
God ease my pain
