Now I've realized what you told were lies,
couldn't ever seem to look me in the eyes.
There's no point to fight,
you're gone from my life.
Never even gave a chance to compromise.

I'm digging a grave,
for all of the memories.
And times we used to share.
I've laid them to rest,
don't make apologies.
You've made this a nightmare.

You can't pull the plug,
on these words I write.
Never forget,
what you did to us that night.
You can't run and hide.
'Cause you've been exposed.
For the liar and the cheat,
we've come to know.

I'm digging a grave,
for all of the memories.
And times we used to share.
I've laid them to rest,
don't make apologies.
You've made this a nightmare.

You've pushed this too far,
there's blood on the floor.
Dragging pieces of our friendship out the door.
I guess I can say, I'm guilty as charged,
For being dumb enough to trust you from the start.

I'm guilty as charged!
I'm guilty as charged!

I'm digging a grave,
for all of the memories.
And times we used to share.

I've laid them to rest,
don't make apologies.
You've made this a nightmare.
(Repeat 2x)
