My eyesight is fading fast.  
I can't see past these tears.  
I can't seem to understand,  
how you threw away these years.

Why, did it have to end this way?  
I, wish we would turn to yesterday.  
Our anniversary.  
Our anniversary.

Tomorrow's another day.  
A chance to set things straight.  
When I try to fix my thoughts.  
You said it was too late.

Why, did it have to end this way?  
I, wish we would turn to yesterday.  
Our anniversary.  
Our anniversary.

My eyesight is fading fast.  
I can't see past these tears.  
I can't seem to understand,  
how you threw away these years.

Why, did it have to end this way?  
I, wish we would turn to yesterday.  
Our anniversary.  
Our anniversary.

I am sorry, if I do something wrong.  
It's fine, to hate me when you hear this song.  
I am sorry, if I do something wrong.  
It's fine, to hate me when you hear this song.

Why, did it have to end this way?  
I, wish we would turn to yesterday.  
Why, did it have to end this way?  
I, wish we would turn to yesterday.  
Our anniversary.
