Your pictures are burning,  
they're flooding the fireplace.  
The flames, flames will stand tough.

And I've taken pleasure,  
in watching you fall apart.  
Away, away from it all.

You made all these promises.  
You said you'd stand by me.  
You broke all your promises.  
You swore you'd stand by me.  
You said you'd stand by me.  
You swore you'd stand by me.  
But you're gone.

I'm desperatly waiting,  
for karma to tackle you.  
So I, I can move on.  
I'm screaming right at you.  
You can't seem to hear a thing.  
The pain, pain will not end.

You made all these promises.  
You said you'd stand by me.  
You broke all your promises.  
You swore you'd stand by me.  
You said you'd stand by me.  
You swore you'd stand by me.  
But you're gone. (4x) [Repeat]
