If I could I'd give you the world
Wrap it all around you
I won't be satisfied with just a piece of your heart

You're my angel
Oh, angel
You're my angel
Oh, angel

Dreams are dreams and some dreams come true
I found a real dream, baby, when I found you
You're so strong, but tender too

You're my angel
Oh, angel
You're my angel
Oh, angel

Love like ours is heaven sent
Each day a day to remember
I feel so safe, feel safe
When I'm with you, with you

You give me more, you keep right on giving
Fill me up, till we could go on living
Things get tough, I can always turn to you

Angel, oh angel
You're my angel
Oh, angel
When I found you

I love the way we touch, I love the way it feels
Every time you're near me, my poor heart it won't keep still
No doubt about it that this love I feel is real
Ask me to go with you, you know that I will

Hold me near, hold me tight
Only you can make it real and only you make it alright
Just let me know that I am special to you

Angel, oh angel
Angel, oh angel
Angel, oh angel
Angel, oh angel
