Oh yeah, oh yeah, oh yeah, oh yeah
Oh yeah, oh yeah, oh yeah, oh yeah

Brothers, sisters, one day we'll all be free
From fighting, violence, people crying in the street
When the angels from above
Fall down and spread their wings like doves
We'll walk hand in hand
Sisters, brothers, we'll make it to the Promised Land

Oh yeah, oh yeah, oh yeah
Oh yeah, oh yeah, yeah, yeah

You and I
We'll walk the land
And as one, and as one
We'll make a stand

When the angels from above
Fall down and spread their wings like doves
We'll walk hand in hand
Sisters, brothers, we'll make it to the Promised Land

We will know what He is
(One day)
The sun is going to shine
(Some day)
We'll all, we'll all be free

When the angels from above
Fall down and spread their wings like doves
We'll walk hand in hand
Sisters, brothers, we'll make it to the Promised Land

When the angels from above
Fall down and spread their wings like doves
We'll walk hand in hand
Sisters, brothers, we'll make it to the Promised Land

When the angels from above
Fall down and spread their wings like doves
We'll walk hand in hand

Sisters, brothers, we'll make it to the Promised Land

When the angels from above
Fall down and spread their wings like doves
