

The Style Council "Right To Go"

Visit "[Right To Go](#)" on MotoLyrics.com

If we don't move, the move's our last
We deprive ourselves of our only chance
Now once and for all, the right must go
Now all for one, register to vote

It's a chance to show, that you can't be bought
Whatever you think, whatever you thought
You've got the choice for what it's worth
You know a third terms gonna cut the earth

Disregard the cost is the party line
A nation filled with apathy suits fine
To be unemployed and stay alive
No Tory's gonna tell you one in five

One in five or one in three
The difference is they don't lose no sleep
Now once and for all the right must go
Now all for one, register to vote

The power that you need is in your hands
Or a one party state is how we'll stand
Every vote wasted is our hopes lost
Make it your decision and your cross

X marks the spot that could change your lives
Every vote cast for a better time
Now once and for all the right must go
Now one for all, register to vote
