[Styles P & Akon talking]

What up John (testing one, two, three)

What up Kon (hey convict music)

Let's go (can you believe it)

(1st Verse) Styles P

Fresh white tee, fresh car wash, summertime hood  
niggas look like stars

Jewelry drip, fresh white airs, mommy shake it up keep  
your ass right there (ohh, can you believe it?)

My man got liquor and my cup's right here, I can smell  
smoke pass the dutch right here

Nigga pass that, Capri pants with the waist cut off, I  
wanna smash that (ohh, can you believe it?)

Party ran pack, mingling baby, and I can LL shake, you  
jingling baby?

Back your ass up, I'm a start tingling baby, we can have  
more fun if wiggling baby (yea, can you believe it?)

P hit the club with a dutch and a dub with it, nigga don't  
cuff it if you ain't in love with it

Matter fact let the grub get it, please don't hate cause  
at least you can say you was with it

(Chorus) Akon

Can you believe it? Get a break and get off the streets,  
clear my mind from the shit I see

In a world full of smoke, attack from the weed, that's  
when it really bond on me

I'm a be here for life, never gonna leave, the ghetto is  
all that I know

It's just another day in the hood my nigga everybody  
trying get this dough

Let it out, all up in the club and you know how we roll,  
squad deep like ohhhh

Bad little bitches with their booty on ----- trying to beat  
like whoaaaa

Know your ass feel it cause its outta control

Let me hear you say ohhhhh, let me hear you say  
ohhhhh

Can you believe It?

(2nd Verse) Styles P

Big ass truck, brand new rims, tank top Yankee, tanned  
out Tims

Bracelet, chain, -----bob thin, new tattoos, new black  
shoes (hey, can you believe it?)

Gucci, Ermays, do that too, wanna feel the breeze get  
a new black coupe

Nigga drop the top, come thru the hood, put a hundred  
on your three or your foul line shot (ooh. oohh, ohh can  
you believe it?)

Lending outfits all in the bus cause none of us could  
see a summer without trips (none of us can see it)

Mad hoops so the little boys might bark at you but they  
all lack good if the hood bothered you

(Chorus) Akon

Can you believe it? Get a break and get off the streets,  
clear my mind from the shit I see

In a world full of smoke, attack from the weed, that's  
when it really bond on me

I'm a be here for life, never gonna leave, the ghetto is  
all that I know

It's just another day in the hood my nigga everybody  
trying get this dough

Let it out ohhhhh, all up in the club and you know how  
we roll, squad deep like ohhhh

Bad little bitches with their booty on ----- trying to beat  
like whoaaaa

Know your ass feel it cause its outta control

Let me hear you say ohhhhh, let me hear you say  
ohhhhh

Can you believe It?

(3rd Verse) Styles P

Basketball tournament, pitbull pups

Ladies in the club poring Chris in cups

Niggas in the jail calling home on the phone (cause  
they locked up)

But you still trying to act like ain't sh\*t enough

Mad sieves in the park, mad fights in the park niggas  
talk how they run every night from the narcs

Aside from the light to the dark then the dark to the  
light, I wanna smoke but I could search for my life

(Last Verse) Akon

Can you believe it? I've done spent ten again, watching  
her bend again, dancing for many men

Tell me have ever though about getting in, a room full  
of convicts and D Block militants

We'll show you the time of your life, we can occupy my  
passenger side

Introduce you to the street life, watch you fall in love  
after just one night  
Ohhhh, all up in the club and you know how we roll,  
squad deep like ohhhh  
Bad little bitches with their booty on ----- trying to beat  
like whoaaaa  
Know your ass feel it cause its outta control  
Let me hear you say ohhhhh, let me hear you say
