Ayo, I got no cash, no money, funds, no dividends  
How come all these people got so much money to  
spend  
While I'm cruisin inside of my broken down Honda  
Accord  
Wishin I had a dollar bill to throw in the tank  
But obviously ??? is a deadly thing  
So I step to Willy Big, lookin for pocket change  
He pulled out some champagne, so happy to celebrate  
I was like, nah man, I need chips, let's get it straight  
So right before I jetted he slapped me a couple bucks  
I knew where I was headed, for gasoline that's  
unleaded  
Would the derelect regret it or is that the way they  
thought though?  
I don't know, I'm cheap so I slid up into the Arco  
2 dollars and 56 cents on 23  
Exit off of Winnetka to enter Canoga P  
Now everybody be bumpin and whippin the steering  
wheel  
To something that's undiscovered but waitin to be  
revealed  
While we rockin, beats that's knockin, yea,  
Ryu and Tak and, turn on the radio, the Wake Up Show,  
what,  
Ninety-two, ugh, we hype when we... true  
Yo, we are, from a, what, Style of Beyond and  
We, would, like, to rock, for you and you,

Rockin our radio station here, in the San Fernando  
Valley  
(S-O-B), at least thirty fatalaties, rockin our, San  
Fernando Valley

Sippin half a cup of decaf, coffee with milk  
Overlookin the Valley smog like I'm walkin on stilts  
In the basement of the Los Angeles basin ragin war  
The weapons are chasin full scale invasions, hit the  
floor  
When the Saticoy and Roscoe block proximity mines  
Explode into a rhyme and out the numeric time code

Now let me flip back into fly mode (chill)  
Dollar dollar bill, more like 99 cents  
For Schlitz malt liquor 40 ounce over the hill
