Time has told me  
You're a rare rare find  
A troubled cure  
For a troubled mind.

And time has told me  
Not to ask for more  
Someday our ocean  
Will find its shore.

So I'll leave the ways that are making me be  
What I really don't want to be  
Leave the ways that are making me love  
What I really don't want to love.

Time has told me  
You came with the dawn  
A soul with no footprint  
A rose with no thorn.

Your tears they tell me  
To stay by my side  
To keep on trying  
'til there's no more to hide.

So leave the ways that are making you be  
What you really don't want to be  
Leave the ways that are making you love  
What you really don't want to love.

Time has told me  
You're a rare rare find  
For some day our ocean  
Will find its shore.
