Late at night when all the world is safe  
Within their dreams, I walk the shadows  
Late at night an empty feeling creeps  
Within my soul, I feel so lonely

So I go into the darkness of the night  
All alone I walk the streets until I find  
Someone who is just like me  
Looking for some company

Children of the night

Late at night a restless feeling takes  
Control of me and I can't fight it  
Late at night I feel the need for someone  
Who like me needs understanding

So once again I'll search the darkness of the night  
All alone I'll walk each street until I find  
Someone who is just like me  
Looking for some company, no, yeah, hea

Children of the night

So once again I'll search the darkness of the night  
All alone I'll walk each street until I find  
Someone who is just like me  
Looking for some company, no, yeah, hea

Children of the night  
Children of the night  
Children of the night

Na, na, na, na, na, na, na, na  
Na, na, na, na, na, na, na, na  
Na, na, na, na, na, na, na  
Na, na, na, na, na, na, na
