Every single day
As you pass this way
I know just what to say
But I can't find the words to tell you
Each and everyday
My love grows and grows
More than before
So maybe, I'll just say

CHORUS

Oh!!! Peek-A-Booooo!!!!
Guess who's watching you
Oh!!! Peek-A-Booooo!!!!
Guess who's loving you
Oh!!! Peek-A-Booooo!!!!
Guess who's watching you

Can't you realise
As you pass me by
The love that's in my heart
So what's keeping us apart
Even though I know
I will win your heart
I'll wait just one more day
Just to see you

REPEAT CHORUS

I'll wait just one more day
Just to see you!!!!!!

REPEAT CHORUS
