Trash men didn't get my trash today  
Oh, why? Because they want more pay  
Buses on strike want a raise in fare  
So they can help pollute the air

But that's what makes the world go round  
The ups and downs, the carousel  
Changing people, [Incomprehensible] all around  
Go underground, young man  
People make the world go round

Wall Street losin' dough on every share  
They're blaming it on longer hair  
Big men smokin' in their easy chairs  
On a fat cigar without a care

But that's what makes the world go round  
The ups and downs, the carousel  
Changing people, [Incomprehensible] all around  
Go underground, young man  
People make the world go round

But that's what makes the world go round  
The ups and downs, the carousel  
Changing people, [Incomprehensible] all around  
Go underground, young man  
People make the world go round

People make the world go round  
People make the world go round  
People make the world go round
