yesterday i got so old
i felt like i could die
yesterday i got so old
it made me want to dry

go on, go on
just walk away
go on, go on
your choice is made
go on, go on
and disappear
go on, go on
away from here

and i know i was wrong
when i said it was true
that i couldn't be me
and be held in between
without you
without you

yesterday i got so scared
i shivered like a child
yesterday away from you
it froze me deep inside

come back, come back
dont walk away
come back, come back
come back today
come back, come back
why can't you see
come back, come back
to me

and i know i was wrong
when i said it was true
that i couldn't be me
and be held in between
without you
without you
without you

without you
without you
