I took my love and I took it down

I climbed a mountain and I turned around

And I saw my reflection in the snow covered hills

Till' the landslide brought me down

Mirror in the sky

What is love

Can the child within my heart rise above

Can I sail thru the changing ocean tides

Can I handle the seasons of my life

Well, I've been afraid of changing 'cause I built my life
around you

And time makes you bolder

And Children get older

I'm getting older too

Well...

Well, I've been afraid of changing 'cause I built my life
around you

But time makes you bolder

And Children get older

I'm getting older, too

Well I'm getting older too

Take this love and take it down

Climb a mountain and I turn around

You see my reflection in a snow-covered hills

Well the landslide bring me down

And if you see my reflection in the snow-covered hills

Maybe the landslide will bring me down

Maybe the landslide will bring it down
