that

Talkin louder than a motherfucker but ain't sayin shit

Heh y'knowhutl'msayin?

(Rage in background while Dre speaks

Dem come witta, dem come witta, dem come wit da
wickedness)

Yeah nigga I see your lips quiverin but you ain't sayin a
motherfuckin

thing

For my niggas, I got my niggas in the motherfuckin he-
ouse

and they gon' tell yo' what's really goin on

Got my motherfuckin nigga RBX...definitely in this motherfucker

I got my nigga Daz in this motherfucker ready to kick some real shit

Y'knowhutl'msayin?

And that lil' shit cha hear in the background, that's my homegirl Rage

So RBX kick this shit

(RBX)

Seven execution style murders

I have no remorse cos I'm the fuckin murderer

Haven't you ever heard of a killer?

I drop bombs like Hiroshima

So now I walk around strapped

One-time bust they caps and watch niggas collapse

Snap! Adapt to this but you need no adapter

This is just the first chapter

in a book from a crook

You get caught slippin yo' ass gots ta die

Nigga, tell me what the fuck you figure?

Trigger? Happy RBX to cap ya

POP POP and I can't wait to bust a pound

POP POP my hollow points smacks the clown

Cos what I said split his head

And now they got me runnin from the feds

But I refuse to go alive

It's kill or be killed, that's how real niggas survive

I'm high powered!

Outro: Daz

Yeah!

It's Daz that mass-murderin motherfucker

So what you feel like you wanna get caught up?

Fool you better recognise

Death Row came to chastise

So if you cross the Row

Remember the first name is Death

No love for the other side
