(feat. DJ Quik, Mimi)

[Dr. Dre]

Y'all ready to get dirty?

Do y'all really wanna get X-rated?

Heh, bottoms up

[Mimi]

Just hit me up when you need

Sex, endo and Hennessey

Won't you just put it on me

Undress on yo company

(Come on baby) Put it on me

Relax and come chill with me

Kick back I got what you need

Won't you just put it on me

[Dr. Dre]

We back, we mack, stay blunted

Knee pads, yo hoes they wanted

Penthouse two o'clock eleven hundred

It aint no fun if I can't reroute your hoes in this direction

Swerve in the intersection, I'm done she restin

No question, done session

Home wreckin, Doc motherfuckin Dre no guessin
Nothin less than, I mess when I'm sexin
Bang on the block
Even Asian bitches like to bang cock
Draws drop, she bunny hops
On it like a pro, she comes out the clothes
[DJ Quik]
But, uh, she flips the dildos
Whether in the Pumps, Nikes or the steel toes
Dre, you can spot it in the benzos
Squawtin real low, got me drivin real slow, she's a real
ho
And even though her parents spent the fat chip
On that private school chip
She graduated, got some thug dick and flipped
No more checkered sweater, vest and plaid skirts
She's out here naked more or less and that hurts
But she's in good hands, cause Suga Free palmin
He sent her to the Sheraton with Thomas
If you need 'em they at 310-629-9755
You hit 'em and they let you know when she's arrived
Oh she okay she just runnin an errand
With this Portuguese dime piece named Karen
Bouncin through the mall, spottin 'em all
A sucker for a dick sucker ready to fall
For a daughter like yours

Got him pattiin his pocket and comin out his drawers

Layin his jacket on puddles, openin the doors

All for what?

Because I promised her my name gave her the game
and still aint fucked

[Mimi]

Just hit me up when you needâ€¦

Sex, endo and Hennessey

Won't you just put it on me

Undress on yo company

(Come on baby) Put it on me

Relax and come chill with me

Kick back I got what you need

Won't you just put it on me

(Come on baby) Put it on me

Fuck everybody let's just go

(Come on baby)

We can get drunk, have some fun and blow some
smoke

(Come on baby) My spot is close, c'mon lets roll

(Don't trip) I'll keep it on a low, ahh

[DJ Quik]

Now we just kickin back playin on some PS2

Contemplatin the game Dre and me best do

If you feelin froggies then leave when we test you

But I'm guaranteein you bitches leavin three less two

Never mind what that love and hate one pairs do

Y'all just snicker at that hooker when we all pass through

Dr. Dre and DJ Quik will probly outlast you

You're like see-through pair of boxers nigga yo ass through

[Dr. Dre]

Bitch, you need some good dick, I got that too

Speed bag the clit, leave it black and blue

Time of yo live, I got that boo

Creep late nights up in hotel rooms

We drank, eat shrooms

Kill something, crank the volume

Fuck in every room

You know your home girl want it, Tag team bitch

Why you being dick greedy? Tag team bitch

When she cums, she drips on mattresses

Bedroom time comes I handle shit

Wifey caught up me nigga

That's yo bitch, that's yo biz

That's show biz, that's how hoes is

With or without kids

Long as you keeping it on a hush she ridin dick

Aint been satisfied much, she's been fakin

That's why she callin me, guess what she's sayinâ€¦

[Mimi]

Just hit me up when you needâ€¦

Sex, endo and Hennessey

Won't you just put it on me

Undress on yo company

(Come on baby) Put it on me

Relax and come chill with me

Kick back I got what you need

Won't you just put it on me

(Come on baby) Put it on me

Fuck everybody let's just go
