Still Snoop Dogg and D-R-E (Guess who's back)

Still, still doing that shit, right?

[Dr. Dre]

Oh for sho', check me out

It's still Dre Day, A.K.

Before I chrome the lot, can't keep it home a lot

Cause when I frequent the spots that I'm known to rock

You hear the bass from the trunk when I'm on the block

Ladies, they pay homage, but haters say Dre fell off

How? My last album was "The Chronic"

They want to know if he still got it

They say rap's changed, they want to know how I feel
about it

[Snoop - singing]

If you ain't up on pace

[Dr. Dre]

Dr. Dre is the name, I'm ahead of my game

Still, puffing my leafs, still with the beats

Still not loving police (Uh huh)

Still rock my khakis with a cuff and a crease

Still got love for the streets, repping 213

Still the beat bangs, still doing my thang

Since I left, ain't too much changed, still

Chorus:

[Snoop Dogg]

I'm representing for them gangstas all across the world

Still hitting them corners in them low low's girl

[Dr. Dre]

Still taking my time to perfect the beat

And I still got love for the streets, it's the D-R-E (Repeat 2x)

Since the last time you heard from me I lost a friend

Well, hell, me and Snoop, we dipping again

Kept my ear to the streets, signed Eminem

He's triple platinum, doing 50 a week

Still, stay close to the heat

And even when I was close to defeat, I rose to my feet

My life is like a soundtrack I wrote to the beat

Treat my rap like Cali weed, I smoke til I sleep

Wake up in the A.M., compose a beat

I bring the fire til you're soaking in your seat

It's not a fluke, it's been tried, I'm the troop

It's "Turn Out the Lights" from the World Class Wreckin' Cru

I'm still at it, After-mathematic

In the home of drivebys and ak-matics

Swap meets, sticky green, and bad traffic

I dip through then I get skin, D-R-E

Chorus

It ain't nothing but more hot shit

Another classic CD for y'all to vibe with

Whether you're cooling on a corner with your fly bitch

Laid back in the shack, play this track

I'm representing for the gangstas all across the world

(Still hitting them corners in them low low's girl)

I'll break your neck, damn near put your face in your
lap

Try to be the king but the ace is back

[Snoop - singing]

So if you ain't up on thangs

[Dr. Dre]

Dr. Dre be the name still running the game

Still got it wrapped like a mummy

Still ain't tripping, love to see young blacks get money

Spend time out the hood, take they moms out the hood

Hit my boys off with jobs, no more living hard

Barbeques every day, driving fancy cars

Still gon' get mine regardless

Chorus x1.5

[Snoop]

Like that, right back up in ya

'95 plus four pennies

Add that shit up, D-R-E right back on top of thangs

Smoke some with your dog

No stress, no seeds, no sims, no sticks!

Some of that real sticky icky

A little weed, put it in the air

For you's a fool D.R
