Time goes by  
As the day moves slow  
And I can't let these feelings go  
I never thought I wouldn't be so sad to see you go  
I think it's far too soon to feel this old  
Well see me now  
Im searching for my home  
And help me now I feel so alone  
Chorus  
I have no ground to hold and if only I could settle for  
What would happen now  
Regardless where Ive been  
Is there more or am I not so helpless  
Or have I no control  
Like a feather in the wind yeah  
Like a feather in the wind  
High hopes I have and no forms I take  
Id be so ashamed of my mistakes  
The story without a face  
Lifes so out of place  
Well excuse me for my haste  
Ive got so much time to waste  
Well tell me now what to do  
And show me how to be as happy a you  
I have no ground to hold and if only I could settle for  
What would happen now  
Regardless where Ive been  
Is there more or am I not so helpless  
Have I no control  
Like a feather in the wind yeah  
Where am I  
But where I am  
One last look  
Just one last look  
And where am I  
But where I am  
But one last look  
I have no ground to hold and if only I could settle for  
What would happen now  
Regardless where Ive been  
Is there more or am I not so helpless

Have I no control  
Like a feather in the wind  
I have no ground to hold and if only I could settle for  
What would happen now  
Regardless where Ive been  
Is there more or am I not so helpless  
Have I no control  
Like a feather in the wind yeah.
