This love for you, it cannot hide  
This love is deep, deep inside  
He's got you, he's got you on his mind

To think about it would wreck his mind  
To let it go would free his soul  
But he's got you, he's got you on his mind

But he's not worried  
(No, he's not worried)  
And he's not wonderin'  
(No, he's not wonderin')

Lord, he's not worried  
(No, he's not worried)  
He's got you, he's got you on his mind

I see you as an island filled with gold  
For your love I tried but I couldn't hold  
He's got you, he's got you on his mind

To think about it Lord, would wreck his mind  
And to let it go would free his soul  
But he's got you, he's got you on his mind

He's not worried  
(No, he's not worried)  
And he's not wonderin'  
(No, he's not wonderin')

Lord, he's not worried  
(No, he's not worried)  
He's got you, he's got you on his mind

He's not worried  
(No, he's not worried)  
Yes, he's not wonderin'  
(No, he's not wonderin')

Lord, he's not worried  
(No, he's not worried)  
He's got you, he's got you on his mind

He's not worried  
(No, he's not worried)  
And he's not wonderin' no, no, no

(No, he's not wonderin')  
Lord he's not worried  
(No, he's not worried)  
He's got you, he's got you on his mind
