Yo, Yo

I want to dedicated this song to Philip Arthur Harrison

Word up

cause he was the one who took me from a boy to a man

So as far as I'm concerned, he's my father cause my

biological didn't bother

[Verse 1]

Biological father, left me in the cold, when a few  
months old

Aa father's child was greater than gold but I guess not

You brought me into the world but your not my dad

Mess around with those drugs makes my moms mad

So we left you with no remorse pity

Took the first bus from York to Jersey City

Women and child alone now thats pressure

Moms got to go to work, drop me off by Obesa

Momma, Aunt DeDe, whoever

Aunt Falma, Uncle Roy we stuck together

A year went by and I could walk y'all

Moms got that good ol job at city hall

She probably didn't trust men anymore

Until Philip Harrison walk though the door

Went out a few times but what about Shaquille

Moms offered him a million dollar package deal

She said you want me you gotta take my son

or else its like a hot dog but without the bun

Guess what he accepted, responsibility he never left it

He kept it, he kept it

He took me from a boy to a man so Phil is my father

cause my biological didn't bother

[chorus] He took me from a boy to a man so Phil is my  
father

cause my biological didn't bother. (4x)

[Verse 2]

January 5th Phil made a promise (what's that)

He joined the army we moved to fort mamth

He disciplined me right from the get go

Age 2 bottle and my Mom shaquille let go

Actin spoiled, rotten, trippin  
Got a butt whippin because I didn't listen  
Back then you see privates made no bucks  
Had to get another job driven trucks  
Workin hard as hell didn't satisfy him  
Had to another job working at the gym  
He wasn't "Gone with the Wind" like Clark Gable  
Work all them jobs to put food on the table  
Phil's my father, daddy and thats the scoop  
Can I go to the gym with you and shoot some hoops  
Come on he put me under his wing  
Was the ball boy for his little Arthur team  
Sometimes he even made me mad  
But it didn't matter cause I still wanted to be like dad  
but a little bit better  
Encouraged me to stay in school and to get then good  
letters  
I wasn't a brainiac but I tried hard  
Got to watch the Knicks play if I had a good report card  
All types, all sorts  
Disobeyed my dad and I couldn't play sports  
I learned to dribble from right to left  
I couldn't do a damn thang with all them F's  
Age 15 father and son confrontation that's nothin  
but father and son trials and tribulation  
Back then I could under stand but I'm glad you did it  
cause now I'm a man  
He took me from a boy to a man so Phil is my father  
cause my biological didn't bother

(chorus)

[Verse 3]

Look at me now successful for sure  
Phil raised me well, to be an entrepreneur  
and if your making big dope be materialistic  
cause you'll end up another statistic  
everything's going well following my dreams  
I dunked on Patrick Ewing  
I won the ring like hakeem  
Uh oh what do you know  
Biological ones on the Ricky Lake show  
What does he want, does he want money  
What people do for money!!!  
It's kinda funny to me  
He aint gettin no check from me (check it)  
He can go on all the talk shows he want  
Phil is my dad so dont even front  
He took me from a boy to a man so Phil is my father  
cause my biological didn't bother

(Chorus)
