Let's take a ride to the seaside

We can go out swimming in the high tide

Just wear your shorts and your long hair

Don't forget the lawn chair

Everybody's gone to the movies

Everybody's gone and its groovy

They went to the one about the big war

I didn't, I'd seen it before

I guess I'm taking my chances

Giving up the ring throwing in the gloves

I guess I'm taking my chances

Trading in my things

A couple wings on a little white dove

And one big love, one big love

Everybody do like a Monkey

If you want to go on and be funky

No need to talk like a hero

Talk a walk count down to zero

No sense defending your honor

Just go on and kiss him if you wanna

Everything before is gone or is going somewhere

I guess I'm taking my chances

Giving up the ring throwing in the gloves

I guess I'm taking my chances

Trading in my things for a couple wings on a

Little white dove

And one big love one big love

I don't know where we are

And I don't care

And now we're out of gas

And riding on air

And one big love, one big love
