he screams "take my picture"
posing naked with a cigarette,
confused in a big world,
wearing his hair the right way
seems to be his top priority,

but he doesn't complain to his friends,
standing on the corner casualy
just making his money,
naked with a cigarette

i saw him in the reflection of a mirror,
waving his hands to get you're attention,
but when you look
he just acts like he said nothing,

standing on the corner casualy
making his money,
as long as he looks nice
and no one tells him different
he won't whine,
but if you let him be he'll scream for attention,

standing in his clothes naked with a cigarette is what
he told me
