

Drifters, The "I Know"

Visit "[I Know](#)" on MotoLyrics.com

I, I know, oh, yes, I know

That you and I will never meet again

Woah, for you, for you were meant for somebody else

(Somebody else)

Woah, woah, woah, that night, oh, yes, that night

That night when first we met I fell in love with you

And now I simply can't forget

(I can't forget)

Oh, darling, what if

We never meet again beneath the moonlit sky

But I know that my love will follow you

As the years go passing by

Oh, I know, oh, yes, I know

That you and I will never meet again

For you, for you were meant for somebody else

(Somebody else)
