Drifters, The - Some Kind Of Wonderful

=====

Wonderful wonderful  
Wonderful

All you have to do is touch my hand  
To show me you understand  
And something happens to me  
Thats some kind of wonderful  
At any time my little world seems blue  
I just have to look at you  
And everything seems to be  
Some kind of wonderful

I know I cant express  
This feeling of tenderness  
Theres so much I wanna say  
But the right words just dont come my way  
I just know when Im in your embrace  
This world is a happy place  
And something happens to me  
Theres some kind of wonderful

I know I cant express  
This feeling of tenderness  
Theres so much I wanna say  
But the right words just dont come my way  
I just know when Im in your embrace  
This world is a happy place  
And something happens to me  
Theres some kind of wonderful

Some kind of sweet lips  
Some kind of warm eyes  
Some kind of soft sigh  
Theres only some kind of wonderful Oh yeah  
wonderful...
