[Originally by O-Town]

I know when he's been on your mind
That distant look is in your eyes
I thought with time you'd realize
It's over, over
It's not the way I choose to live
And something somewhere's got to give
As sharing this relationship gets older, older

You know I'd fight for you
But how I can fight someone who isn't even there
I've had the rest of you now I want the best of you
I don't care if that's not fair

because I want it all
Or nothing at all
There's no where left to fall
When you reach the bottom it's now or never
Is it all
Or are we just friends
Is this how it ends
With a simple telephone call
You leave me here with nothing at all

There are times it seems to me
I'm sharing you with memories
I feel it in my heart
But I don't show it, show it
And then there's times you look at me
As though I'm all that you can see
Those times I don't believe it's right
I know it, know it

Don't make me promises
Baby you never did know how to keep them well
I've had the rest of you
Now I want the best of you
It's time for show and tell

because I want it all
Or nothing at all
There's no where left to fall
When you reach the bottom it's now or never
Is it all
Or are we just friends
Is this how it ends
With a simple telephone call
You leave me here with nothing

Cause you and I
Could lose it all if you've got no more room
Nowhere inside for me in your life
Cause I want it all
Or nothing at all
There's no where left to fall
It's now or never

Is it all
Or are we just friends
Is this how it ends
With a simple telephone call
You leave me here with nothing at all

Nothing at all
There's no where left to fall
When you reach the bottom it's now or never
Is it all
Or are we just friends
Is this how it ends
With a simple telephone call
You leave me here with nothing at all

Are we just friends
Is this how it ends
With a simple telephone call
You leave me here with nothing at all
