Some people really need it

Listen to me y'all, do things, do things, do bad things
with it

You wanna do things, do things, do things, good things
with it

Talk about cash money, money

Talk about cash money- dollar bills, y'all

For the love of money

People will steal from their mother

For the love of money

People will rob their own brother

For the love of money

People can't even walk the street

Because they never know who in the world they're
gonna beat

For that lean, mean, mean green

Almighty dollar, money

For the love of money

People will lie, Lord, they will cheat

For the love of money

People don't care who they hurt or beat

For the love of money

A woman will sell her precious body
For a small piece of paper it carries a lot of weight
Call it lean, mean, mean green
Almighty dollar
I know money is the root of all evil
Do funny things to some people
Give me a nickel, brother can you spare a dime
Money can drive some people out of their minds
Got to have it, I really need it
How many things have I heard you say
Some people really need it
How many things have I heard you say
Got to have it, I really need it
How many things have I heard you say
Lay down, lay down, a woman will lay down
For the love of money
All for the love of money
Don't let, don't let, don't let money rule you
For the love of money
Money can change people sometimes
Don't let, don't let, don't let money fool you
Money can fool people sometimes
People! Don't let money, don't let money change you,
it will keep on changing, changing up your mind.
