Say what you say, what you say
I don't care, it happened anyway
I'm not the man, that you know
Not the man, like I used to be

Say what you say, what you want
What you think, I don't care by the way
Say what you say, I'm okay
I'm alright, see you soon someday

Reff:
Tak semua pertanyaan
Harus bisa aku jelaskan jawabnya
Hidupku harus bebas
Bukan terikat mati
Peraturan di hidupku
Hanya satu yang ku tahu dan yakin
Hidupku harus bebas
Bukan teratur pasti
