Talking:

Are you in love?
Or is it me who seems to be?
I'll ask you again are we in love?
Or are we just friends?

One person told me when I was younger,
Love is a danger, just like anger,
Don't fall too soon, you never know what you might get
into,
Angel falter, heaven sings, only then does the devil
begin to pray,
Heart beats faster, song runs slower,
And it's only you I can see.

Because love is a dangerous angel,
The most dangerous, don't fall in love,
You won't get hurt, I promise,
Pain inside amplified by the yelling and screaming,
You hear, no one can love for all love is,
Is danger to us all.

Now that you know, are you sure you want to be my
man?
Cause if you don't I need you to leave me alone,
So I can see the sun tomorrow,
Explain it to someone who you need to get to know,
That love is danger just like anger.

Because love is dangerous angel,
The most dangerous, don't fall in love,
You won't get hurt, I promise,
Pain inside amplified by the yelling and screaming,
You hear no one can love for all love is,
Is a danger to us all.

You get pissed off by the words I say,
I'm scared of love because I hesitate,
Don't be like me love is, love is, love is the most
dangerous angel of all.

Love is danger,
One letter from anger,
One step from those gates of hell,
The devil is scared now that you have fallen.

Because love is dangerous angel,
The most dangerous, don't fall in love,
You won't get hurt, I promise,
Pain inside amplified by the yelling and screaming,
You hear no one can love for all love is,
Is a danger to us all.
