?Love me for me?

Just because I am not the perfect person,
You think I am not good,
Well let me tell you something no one in this world is,
Everyone has problems even if they are cool,
Life isn't made to be easy well guess what,
I am going to be me no matter how mean you get.

Don't push, and shove,
Don't scream and throw a fit,
Just because I am not like you,
I am not ?perfect?,
I am sick of all your bullshit,
I have realized I don't have to put up with it,
So the last thing I'm asking,
Is for you to love me for me.

You said you made straights A's,
I bet you didn't have the same problems that I have,
No one cares you need to realize stop worrying about
your life and worry about mine,
I could end up sick or on my death bed,
Would you give a damn, I think that's enough said.

Don't push, and shove,
Don't scream and throw a fit,
Just because I am not like you,
I am not ?perfect?,
I am sick of all your bullshit,
I have realized I don't have to out up with it,
So the last thing I'm asking,
Is for you to love me for me.

Realize I am me,
Don't push me to hard,
Hold my hand,
Let me go,
But most of all love me for me.

Don't push, and shove,

Don?t scream and throw a fit,
Just because I am not like you,
I am not ?perfect?,
I am sick of all your bullshit,
I have realized I don?t have to out up with it,
So the last thing I?m asking,
Is for you to love me for me.
