Packing up, not looking back,
Never gonna get very far if I think of you,
Mind blank, eyes staring forward,
No last requests, no forgotten words,
Hands grip tighter to the steering wheel,
Rearview mirror ripped off and in a bag,

Never gonna look back, because then I might forget,
Never gonna see the sun and wonder where you are,
Never gonna sit underneath the full moon,
Never gonna walk along the ocean and dream of you
and me.

You never knew me,
You never wanted to see me,
You never heard me.
